

Alabama FY2017 AmeriCorps State and National Grant Awards

Corporation for National and Community Service

Below is the FY2017 AmeriCorps grant funding breakdown for Alabama. State formula funding will be awarded to Serve Alabama, the Governor-appointed State Service Commission. National direct funding will be awarded to a grantee headquartered in Alabama that is operating in more than one state. Alabama AmeriCorps members will also receive post-service Segal AmeriCorps Education Awards to help pay for post-secondary education or pay down student loans. These funding streams all factor into the total award received, shown here:

Funding Type	Amount
State Formula	\$2,119,778
National Direct	\$1,050,822
Education Awards	\$441,940
Total CNCS Funding Awarded	\$3,612,540

In addition to the federal funding from CNCS, Alabama AmeriCorps grantees will leverage an additional **\$1,831,796** in matching support and other resources. Together, they will engage a total of **76** AmeriCorps members in national service.
